Impeach George Bush for his LIES about Iraq:

1) Send a letter (worth the extra effort) or fax to U.S. Representative John Conyers (D-Michigan). He has recently reaffirmed his willingness to offer bills of impeachment for Bush (and his cohorts)— with enough support and clamor from the public.

Dear Mr. John Conyers, Jr, Sir:

Bush Lied...Impeach NOW!

Feel free to write more, if you like. :-). Sincere letters can be very powerful. Be polite— he's an ally. Congressman Conyers can also be reached by email at: <John.Conyers@mail.house.gov>. His website address is: <http://www.house.gov/conyers/>

[Operation Impeach by Summer is not associated with Representative Conyers in any way.]

2) Send letters or faxes, or emails, to your own U.S. Representatives and Senators, requesting that they support our right to impeach a President who lied about a bogeyman to justify an invasion that has been a great source of profit to his backers.

3) **Protest with this phrase.** 'Bush Lied...Impeach NOW!' Wear it on buttons. Chalk it on sidewalks. Write it on your checks. Rubberstamp it in red ink on bills. Be creative about how and where, but keep the phrase the same.

4) **Distribute this flyer!** Make copies and hand them out. Send them to your relatives and friends in other states, and other countries. Point out to doubters that demanding our rights is defending our rights. A list of documented lies? There are plenty in the database provided by U.S. Representative Henry Waxman http://www.house.gov/reform/min/features/iraq_on_the_record/].

The impeachment power by the Representatives of the People is at the top of the Constitution! They lied about the threat, they lied about the need, they did no preparation for the aftermath (an additional warcrime), and they lied about the cost. The human cost most of all: the Bush administration engineered the return of dead and injured to be as invisible as possible, but 20,000 GI casualties, nearly 600 dead, 3,000 amputees...and they won't say how many 10,000s of civilians they killed. We must demand impeachment for these crimes.
