Important Note: This item is designed to produce an 11" x 17" poster. That is why the margins appear "wrong." To produce the 11" x 17" poster, simply put this in a copier and set the "enlarge" function to 155% and set the paper size to "ledger." Voila--you get an 11" x 17" poster. (Please note that if your copier is one of the handful on the market that has an automatic image centering mechanism, this default needs to be disabled in order to print the poster properly).
