

The 9-11 Cover Up

Did you know--

--that the September 11th hijacking plot was financed by the Pakistani intelligence agency, the Inter-Services Intelligence (ISI)?

--that the top man in the Pakistani ISI, General Mahmoud Ahmad wired \$100,000 to the alleged terrorist ring leader Mohammad Atta, just days before 9-11?

--that General Ahmad was meeting with high level members of the Bush administration during the week of September 11, 2001 (before his involvement with the attacks became known publicly)?

--that in October of 2001, the Times of India and the Indian intelligence services named General Ahmad as the financier of the 9-11 attacks, and this information was confirmed by the FBI?

And finally, are you aware that after the FBI named General Ahmad as the "money man" behind September 11th, he is **not mentioned at all** in the Congressional Joint Inquiry document, nor in the public meetings of the Commission to Investigate the Terrorist Attacks?

General Mahmoud Ahmad remains conspicuously absent from the FBI's Most Wanted List of terrorists.

If you have suspected a cover-up of 9-11, you are correct. These issues are clouded in lies and deliberate disinformation. See the following sources, which have proven to be reliable time and time again:
