

US SPECIAL VIRUS CANCER PROGRAM

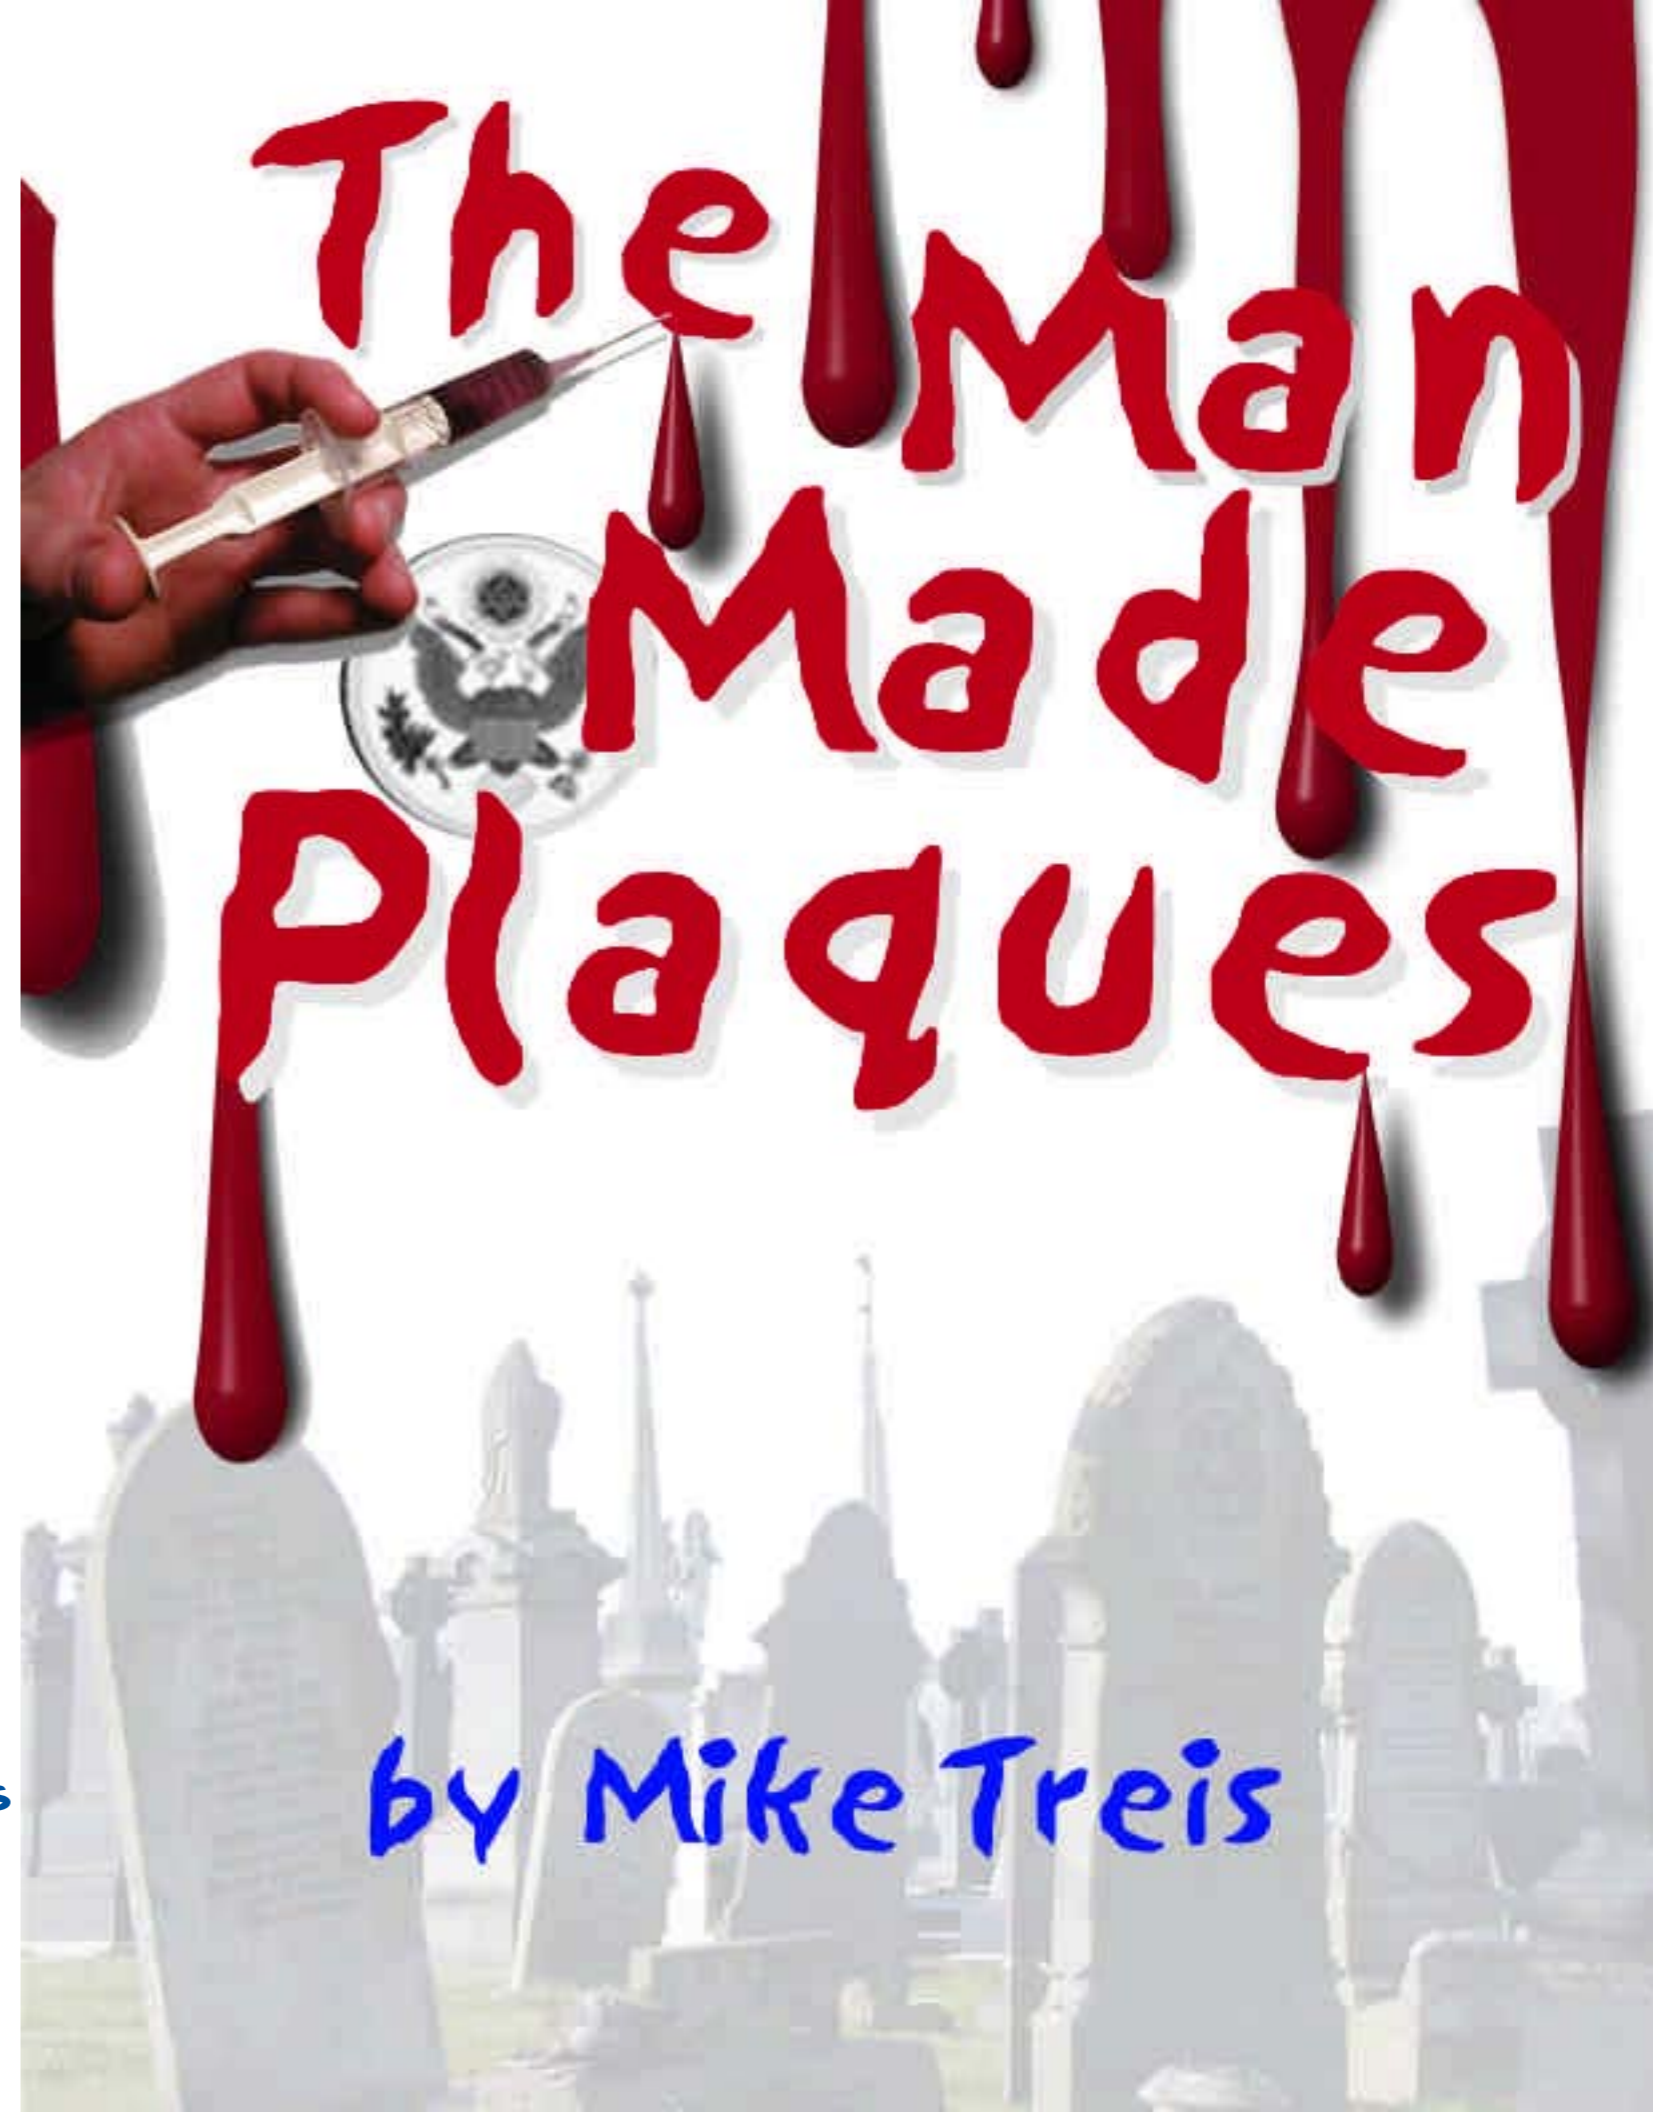

“Population growth is “the gravest issue that the world faces over the years ahead.”

“Population growth was leading to instability, that a 10 billion world population would not be controllable.”

“It is not a world that any of us would want to live in. Is such a world inevitable? It is not sure but there are two possible ways by which a world of 10 billion people can be averted. Either the current birth rates must come down more quickly or the current death rates must go up. There is no other way.” Robert Strange McNamara, Former US Secretary of Defense & President of the World Bank, brought the CIA black budget *Project MK-NAOMI* on budget as the US SVCP, bringing about *The Man Made Plagues....*
