

“The Reflecting Pool” will change how you feel about September 11th

'The Reflecting Pool', A new 9/11 investigative drama that challenges the official version of the events on 9/11. It is a chilling and important fact based investigative drama

'The Reflecting Pool' follows an investigation by a skeptical Russian-American journalist who teams up with the father of a 9/11 victim to "fact check" the official version of the tragedy as documented in the 9/11 Commission Report

The theme of "The Reflecting Pool" reflects the recent New York Times/CBS News opinion poll, in which the majority of Americans believe the Bush administration is not telling the truth about the September Eleventh events.
