THE THEFT OF OUR ELECTIONS...VOTE BY VOTE

STEALING AMERICA: *Vote by Vote* brings together behind-the-scenes perspectives from the U.S. presidential election of 2004 – plus startling stories from key races in 1996, 2000, 2002 and 2006. Unbiased and nonpartisan, the film sheds light on a decade of vote counts that don't match votes cast – uncounted ballots, vote switching, under-votes and many other examples of election totals that warrant serious investigation.

Learn from the film's website www.stealingamerica.org/getactive a wide range of actions people can take **between now and November** that can make a real difference. There is something every one of us can do.
