

The Physics of the Impossible

Inspired by Michio Kaku's recent book of the same title, Jonathan Vos Post, President of the Humanist Association at CSULA, takes a look at whether the science-fiction technology we see at the movies and read about in Hugo and Nebula-winning novels could become reality in our lifetime.

And...do we really want it to be real???

Is Science Fiction a Dream, or a Nightmare???

Thursday, April 30
1800 - 2000

(That's 6 PM to 8 PM for most of us!)

University - Student Union
Cal State L.A.

Also: A Fun Auction of Science Fiction Memorabilia and other items, to raise funds for our club!

Co-sponsored by Associated Students and the Humanist Association at Cal State Los Angeles. "CSULA Humanist" logo designed by Cy Husain.
