

"FOOD INC."

You'll never look at dinner the same way!

Free Movie

January 7th - 7pm

In "FOOD Inc." filmmaker Robert Kenner lifts the veil on our nation's food industry, exposing the highly mechanized underbelly that has been hidden from the American consumer with the consent of our government's regulatory agencies, the USDA and the FDA. Our nation's food supply is now controlled by a handful of corporations that often put profit ahead of consumer health, the livelihood of the American farmer, the safety of workers and our own environment, particularly among children.
