

# Public Education under attack! **Organize! Mobilize!**

- Budget crisis
- Class-size increases
- School giveaways
- Union busting
- Anti-teacher school board

- Race To The Top
- School reconstitution
- Mandatory testing
- Merit pay
- Underfunded schools

Our schools are under attack on numerous fronts. Now more than ever, we must reach out to parents as sustainable partners for successful schools. We must build a movement together for increased funding and local control of our schools and against budget cuts and outside takeovers.
