CHANGE YOUR FUEL...CHANGE THE WORLD

If you are addicted to Oil - maybe it's time for an Intervention.

FUEL is a comprehensive and entertaining look at energy in America: a history of where we have been, our present predicament and a solution to our dependence on foreign oil. Rousing and reactionary, FUEL is an amazing, in-depth, personal journey of oil use and abuse as it examines wide-ranging energy solutions other than oil, the faltering US auto and petroleum industries, and the latest stirrings of the American mindset toward alternative energy.
