Eyewitness Report

From the World Festival of Youth & Students

A.N.S.W.E.R. delegates are attending the **16th World Festival of Youth and Students** in Caracas, Venezuela this month. They are meeting with youth and student organizations, women's groups, unions, and anti-war coalitions from Africa, Latin America, the Middle East, Asia and Europe. In addition, they are witnessing first-hand the monumental social gains being made by the people of Venezuela and their Bolivarian revolution, lead by President Hugo Chávez.

Join A.N.S.W.E.R.'s delegates from Los Angeles for a special report **back from the Festival**. Hear about Venezuela and what others are doing around the world in the struggle for social justice and against war, racism and all forms of oppression.
