

MANIFESTO WORKSHOP!

Sunday, April 2 12:30pm-2:30pm

SOUTH CENTRAL FARMS

41st and Alameda/Metro Blue Line VERNON Station

Manifestos are not only for Karl Marx, Valerie Solanas, Gandhi, or the Unabomber. We each have a spot within ourselves that seeks change. Now is your chance to extract that truth within yourself. You have a manifesto to write.

This event is a fundraiser to help save the South Central Farmers from eviction.
