Re; **NO JURISDICTION**

You shall file this notice with the court to ensure understanding and prevent further error, a duty presumed evaded by Marin County Counsel Mr Govi.

Of that certain lawsuit filed by criminal defendant Mr Robert Sudar in the UNITED STATES DISTRICT COURT NORTHERN DISTRICT San Francisco Case No C07 5446. naming ALVIN HANSEN AND WILLIAM THOMSON as "respondents". Because of this suit protesting his 2 year long malicious criminal prosecution by Mr Sudar, Marin County Counsel Mr Jack Govi realizing suits in multiple courts is illegal states their November 6, 2007 hearing was taken "OFF CALENDAR" removing, arresting jurisdiction of Marin county malicious debtor civil suit 072786, against Alvin Hansen and William E Thomson. Thomson did not accurately report this to me. Federal Suit,

FOR PUBLICATION AND
TO BE FILED IN COURT RECORD

RE; Appointment per your letter for lunacy examination and requirements for compliance with production of records on IRS Summons Audit.

When you called last Wednesday I told you I don't like to miss any appointment but that I have no justification to obey a court order I do not have.

We decided you would write the Court (whoever that is No Name of Judge) and notice them of the contempt of the IRS audit and mandate to produce the following records required under discovery law in criminal cases and lunacy proceedings. So far I have produced more guardianship records for you then you for me. You were also served on November 6, 2007 and failed to notify the court of that or file with the court.

Interim Counsel Paul Ryan concurs as I told you that we must have;

1. Copy of arrest warrant never provided,
2. Copy of Court case docket never provided
3. Copy of transcript of proceedings required by law
4. Copy of all court orders signed by Judge.
5. Copy of lunacy petition signed by 3 persons in compliance with California law. Issue of mental health
6. Copys of all past and present lunacy and guardianship records held over me by Robert Disharoon esq. in the ID theft trust crime 1994 2007

I have provided you with history of many secret Guardianship records discovered by Counsel Trustee Melvin E. Soll esq in 1999 from Richard B Thierolf esq in Oregon Delaware and California going as far back as March 1989.

Be advised that falsification of medical records is a serious felony under California Penal Code 182 Conspiracy and 471.

I DEPEND ON TRUST CEO WILLIAM THOMSON TO GET AROUND AS I HAVE NO CAR AM DISABLED AND DON'T DRIVE. SO IN THIS SENSE I AM UNDER HIS GUARDIANSHIP WITH GREAT CONTROL OVER MY FREEDOM. HE IS PROBABLY IN CONTACT WITH YOU AND THE COURT UNBEKNOWNNS TO ME. IF SO PLEASE COPY HIS COMMUNICATIONS.

Thank you for your attention to this matter

MOTION TO DISMISS NON PARTIES
Alvin Hansen and William E Thomson

Re: Lawsuits in Barratry by Judgment debtors, Robert Sudar, imposter beneficiary, Jerry Brown, Robert Disharoon imposter, Alvin James Hansen v Alvin Joseph Hansen UCC felony ID theft Judgment Lien creditors UCC Master 30 year filing 07-1121163917. Against trust officers William E Thomson CEO & (Kelli Lee CFO)

Dear Mr Govi:

Enclosed find the substance of my MOTION TO DISMISS in the USDC San Francisco Case No C07 5446 and dismissal of all frivolous malicious actions against us. You are correct there is no Diversity Jurisdiction in this case and I shall not transfer it to Chancery Delaware for Mr Sudar

You first filed suit against us without cause on June 14, 2007 alleging us responsible for the filing of a UCC Judgment lien against 8 Marin County officials prosecuting Mr Sudar who fraudulently claimed to be a beneficiary of the Robert Stanghellini Trust. As time progressed we discovered Mr Sudars friends Mr Walter Chek, and Steven Schneider were behind the fraud and should have been arrested instead of me.

As soon as you notified us this matter was immediately corrected by our filing to terminate the file on 7/10/2007 (but which the Attorney Generals office had rejected without cause.) It has taken up all summer blocked trust operation in commerce and caused Pennibanctrust its beneficiaries and us personally great and irreparable harm.

It is our right to operate the commerce of our recovered trust without threat and manage, file, amend and terminate Judgment Liens and assignments. Under the several Court Judgments for embezzled asset recovery. UCC Chapter 9

Wherefore since we had no intention of causing injury to persons without cause and because of your unwarranted suits in retaliation against us in association with Placer Countys malicious arrest of me only (not Bill, why not Bill?) and prosecution by Jerry Brown a debtor felon; A criminal suit and attempt to paint me lunatic to evade debt CPC 182 155 (as was done since 1989 and in the Delaware USDC settlement case No 93-292 for 14 years.)

The very same means by which Mr Robert Disharoon held my secret power and trust by forgery since 1993. through his client **Alvin James Hansen** (Deceased) Ca Trust UCC file No 94122638 These suits were filed in behalf of Mr Disharoon. Judgments were obtained in San Francisco Superior Court July 16, 2007 then transferred to Chancery Court Delaware No 93-292 JJJL And the IRS undertook Audit September 10, 2007 which you must comply with.

Mr Thomson and I did everything to accommodate your demands for justice only to have it turned against us. I have had no contact with Mr Sudar nor he with me since May, before you sued us June 14, 2007. We immediately took action to terminate his duplicitous file July 10, 2007.

We had nothing to do with, and was indeed shocked to learn of Mr Sudar's Federal suit against Marin County and Mr Berberian, etal and including us as Co-Plaintiffs without notice or our permission. Thus I am filing a MOTION TO DISMISS us as "Non Parties" which will help you.

Mr Govi; your matters with Mr Sudar are none of our trust or business. My fault, and I regret is believing without checking what he and his friends told us. I have learned through my very bitter 27 year struggle that even though we are victims of great injustice two wrongs never make a right. We must do right toward people even though they do us wrong. I apologize for any unintended harm **but suits in malice and barratry never bring justice.**

As of 11/18/2007 with the death of Mr Richard Scholes a real beneficiary now brings the toll to 9 persons murdered. I knew Richard for 27 years. He fought for personal Justice all that time to no avail and died alone.

NO ISSUE

20
21 Petitioners, by and through their counsel, the Marin County Counsel, request the Court
22 to remand the case entitled, Berberian, et al. v. Hansen, et al., Marin County Superior Court
23 No. Civil 07-2786, back to the Marin County Superior Court, a state court, on the grounds that
24 there is no subject ^{good} matter jurisdiction since two Respondents, Alvin Hansen and William
25 Thomson, are domiciled in California, thus defeating Respondent Sudar's claim that there is
26 diversity of citizenship. Further, Petitioners' Motion is also based upon the fact that the amount
27 in controversy does not exceed \$75,000.00.
28

1 This Motion is based upon the attached Memorandum of Points and Authorities and any
2 evidence adduced at the hearing on the Motion.

4 MEMORANDUM OF POINTS AND AUTHORITIES

5 STATEMENT OF FACTS

6 Petitioners are public officials or retired public officials who were victimized by the filing
7 of false judgment liens by the Respondents. Petitioners include the District Attorney of Marin
8 County (Berberian), three Deputy District Attorneys (Brown, Martinez and Witong), two Marin
9 Superior Court Judges (Sutro and Adams), the County Assessor (Thayer) and the retired
10 District Attorney of Marin County (Kamena). *Andrews, Zeigler, Dishanoon*
11 *Goldberger & Gray, Holliday, Chantaw*

12 Respondent Robert Sudar participated in the filing of false judgment liens against the
13 Petitioners following his arrest and prosecution for several crimes in Marin County. That
14 prosecution is pending in Marin Superior Court [see **Exhibit A**, attached hereto and
15 incorporated herein by reference]. Respondents filed the false Judgment Liens with the
16 Secretary of State with the intent to annoy, harass and intimidate the Petitioners following the
17 initiation of the criminal prosecution against Respondent Sudar in Marin County [see **Exhibit**
18 **B**, filings by Respondents with Secretary of State of California, attached hereto and
19 incorporated herein by reference]. *official Judgment against State*

20 Petitioners requested Marin County Counsel to petition the Superior Court to have these
21 false judgment liens stricken pursuant to California Government Code Section 6223. California
22 Code of Civil Procedure Section 765.010 specifies a procedure for such removal. On June 13,
23 2007, Petitioners filed the Petition against Respondents to strike the false judgment liens and
24 to request other relief including costs, attorney fees and statutory penalties [see **Exhibit C**,
25 Petition, attached hereto and incorporated herein by reference]. All of the Respondents were
26
27
28

1 eventually served by September 24, 2007 including Respondent Sudar who was personally
2 served at the Marin County Superior Court on September 24, 2007.

3 Respondent Sudar claims that he is domiciled in Nevada. This claim is dubious at best
4 since attempts at serving Mr. Sudar in Nevada were unsuccessful and the information gained
5 revealed that he had moved to California. The only connection to Nevada was a mail and copy
6 service where he evidently has a post office box [see **Exhibit D**, Declaration of Lenore
7 Hansen, attached hereto and incorporated herein by reference].

8
9 The two other Respondents, Alvin Hansen and William Thomson both reside in the
10 Sacramento area of California and are domiciled there. Both Thomson and Hansen were
11 served with process at their residences in California and William Thomson has advised
12 counsel for Respondent in a letter dated November 19, 2007, that he and Respondent Hansen
13 reside and are domiciled in California. Respondent Sudar is well acquainted with fellow
14 Respondents Thomson and Hansen since he is the beneficiary of their trust, the Pennebanc
15 Trust and Respondent Sudar is aware that Hansen and Thomson are domiciled in California
16 [see **Exhibit E**, Personal Service of Alvin Hansen and William Thomson; see **Exhibit F**, letter
17 from William Thomson to Jack F. Govi, attached hereto and incorporated herein by reference].
18
19

20 X Respondent Sudar filed the Notice of Removal in this Court on October 24, 2007, which
21 was on the eve of the hearing in Marin Superior Court in the state court action that he
22 removed. That hearing was scheduled to occur on November 6, 2007 [see Declaration of Jack
23 F. Govi, attached hereto as **Exhibit G** and incorporated herein by reference].
24

25 Petitioners have incurred costs and attorney fees in bringing this Motion to Remand.
26 Counsel for Petitioners has expended ten hours of legal services in bringing this motion and
27 expects to expend another four hours to prepare for the hearing, travel to and from the hearing
28

1 and argue the Motion at the hearing for a total of 14 hours. Depending upon the calculation
2 used for the County Counsel hourly rate (i.e., the actual overhead amount of \$175 per hour or
3 the reasonable customary amount in the Bay Area of \$250 per hour), the attorney fees are
4 either \$2,450 (14 hours at \$175 per hour) or \$3500 (14 hours at \$250 per hour) [see Exhibit

5 G].

6 All prosecutions of Hansen, Thomson are
7 ARGUMENT
8 malicious in contempt of Chancery Court De Warden
9 San Francisco USDC 93-292 JLC.
10 THE FEDERAL COURT LACKS SUBJECT MATTER JURISDICTION

11 A. There is No Diversity of Citizenship

Right on JLC
There are no state claims

12 Federal courts lack subject matter jurisdiction to hear a matter involving state claims
13 where there is no diversity of citizenship. 28 U.S.C. §1447(c); *International Primate Protection*
14 *League v. Administrators of Tulane Ed. Fund* (1991) 500 US 72, 87. Diversity of citizenship
15 requires that all of the defendants be a citizen of a state that is different from the state where
16 plaintiff resides. 28 U.S.C. §1441(b). Since the citizenship of all defendants—both served
17 and unserved—determines diversity of citizenship, the fact that one of the defendants is local
18 destroys any diversity of citizenship claim and thus, mandates remand back to state court.
19 *Picher & Marion County, Malicious Prosecutions,*
20 *Pecherski v. General Motors Corp.* (8th Cir. 1981) 636 F.2d 1156, 1160.

21 In the instant case, two of the Respondents reside and are domiciled in the Sacramento
22 area of California [See Exhibits E and F]. Since these two defendants are local, removal to
23 Federal Court was improper. Accordingly, remand is warranted.
24

25 //

26 //

27 Thank you Robert Suder
28

1 **B. The Amount in Controversy Does Not Exceed \$75,000.**

2 Even if complete diversity of citizenship existed—and it does not—Respondent Sudar
3 has improperly removed this case because the amount in controversy does not exceed
4 \$75,000.
5

6 A party may not remove a case to federal court based on diversity of citizenship where
7 the amount in controversy does not exceed the minimum federal jurisdiction, \$75,000. 28 USC
8 § 1332(a). The amount is tested at the time of removal, and not as increased or decreased
9 due to later events. *Merit-care Inc. v. St. Paul Mercury Ins. Co.* (3rd Cir. 1999) 166 F.3d 214,
10 217-218.
11

12 Here, the amount in controversy including statutory penalties, fees and costs against
13 Respondent Sudar does not exceed \$75,000. In the underlying Petition, Petitioners request a
14 total of \$40,000.00 plus costs and attorney fees from all of the Respondents. This total is not
15 cumulative and attorney fees and costs are less than \$20,000.00 [See Exhibits C and G].
16 Thus, even if Respondent Sudar could establish some *hypothetical* diversity of citizenship, the
17 amount in controversy does not warrant removal to federal court.
18

19 **II**

20 **THE COURT SHOULD ORDER COSTS, ATTORNEY FEES AND OTHER ACTUAL**
21 **EXPENSES TO THE PETITIONERS ON THE GROUNDS THAT RESPONDENT ROBERT**
22 **SUDAR HAS ENGAGED IN A PATTERN OF DELAY, HARASSMENT AND INTIMIDATION**
23 **OF THE PETITIONERS**

24 On granting a motion for remand, this Court may order the respondent to pay petitioner
25 its "just costs and any actual expenses, including attorneys' fees, incurred as a result of the
26 removal." 28 USC §1447(c). The purpose behind this statute is to deter the possibility of
27 abuse and harassment. *Circle Industries USA v. Parke Constitutional Group, Inc.* (2nd Cir.
28 1999) 183 F.3d 105, 109. In order to obtain fees and costs, it is not necessary to show that the

1 removing party's position was frivolous, unreasonable or without foundation. *Martin v. Franklin*
2 *Capital Corp.* (2005) 546 US 132, 138-139. Rather, costs and fees may be awarded where
3 the removing party did not have an objective reasonable basis for removal. *Id.* at 141.

4
5 Here, Respondent Robert Sudar had no objectively reasonable basis for believing that
6 complete diversity of citizenship existed amongst all Petitioners and Respondents. While his
7 Removal pleadings state he does not know whether the remaining Respondents reside outside
8 of California, this declaration is doubtful given that he is a beneficiary of Respondents' trust.
9 Moreover, given the fact that Respondent Thomson states that he is well acquainted with
10 Respondent Sudar and that Sudar is aware that Respondents Thomson and Hansen reside in
11 California, Sudar's position is, at best, self-serving. *He is NOT [signature]*
12 *Bill talked with Govi Nov. 6.*

13 Respondent Sudar is a savvy individual who has engaged in a pattern of harassment,
14 annoyance and intimidation of the Petitioners since his arrest and prosecution for several
15 alleged crimes in Marin County. His latest attempt at such harassment is the thwarting of the
16 hearing in state court in this civil action that was scheduled for disposition on November 6,
17 2007. Knowing that the other two Respondents reside and are domiciled in California, Sudar
18 filed a Notice of Removal, wreaking havoc on the ability of the state court case to proceed.

19
20 Indeed, while Mr. Sudar is not a licensed attorney, he is sophisticated in his ability to
21 maneuver the legal system to his liking. For example, in addition to his Notice of Removal, the
22 Court need only review the packet of judgment liens (i.e., false judgment liens) that were filed

California Department of Justice Hid Millions in Contracts

By MICHAEL R. BLOOD, Associated Press Writer

Published: January 29, 2007

Hey John, I don't care what Debra Bowen says, let's make the Feds pay PenniTrust Debt! They did it!

AP Photo/Steve Lister

California State Treasurer Bill Lockyer, speaks after taking the oath of office during a ceremony in Sacramento, Calif., Monday, Jan. 8, 2007.

Berberian - DA Felon, ID Thief! Appearing on Oprah show before sentencing?

John Chiang Controller

But, how are we going to comply with the law and tell the public about this 14 year embezzlement and the 2.8 trillion dollar debt? Debra, why didn't you and Steve Wesley tell me about Hansen? You tried to kill Hansen, but he has more lives than a cat! He's not going away! Maybe if we fund his youth trust he'll loan some of it back to us! WE NEED IT!!! It's shameful what they did to you. When are you going to resign? I'm going to help Hansen!

Tell me what to do now John!

See the Marin County ID Theft Site (www.marincountyidtheft.info): Lockyer's conspiracy with DA Berberian (Barbarian!)

Hansen wants us in prison! The law is clear. We can't ignore this any longer. Hansen is right, he has open warrants for our arrest. Why should we protect Former Secretary Bill Jones and Anderson, Zeigler, Disharoon, Gallagher, and Gray, and their FBI agent Jeff Gray? This has been going on for years! Bill, Hansen told you about this for years!

LOS ANGELES (AP) - The California Department of Justice improperly concealed tens of millions of dollars worth of contracts with lobbyists, consultants, legal firms—even couriers and parking garages—in violation of its own confidentiality rules, an Associated Press investigation has found.

An internal agency review, conducted at AP's request, found information on scores of contracts, many of them no-bid, was erroneously labeled "confidential" and omitted from computerized state records, shielding it from public view.

The department says no open-records laws were broken and there was no attempt to intentionally hide spending or protect favored contractors from public scrutiny. Still, as a result of AP's investigation, the agency is reviewing the way it identifies and withholds confidential contracts listed in those records.

All the contracts reviewed were issued between 2003 and last year, when Bill Lockyer, a Democrat, was
