## CAPITALISM: A LOVE STORY

is the latest film by Michael Moore that explores a taboo question: What is the price that America pays for its love of capitalism? Years ago, that love seemed so innocent. Today, however, the American dream is looking more like a nightmare as families pay the price with their jobs, their homes and their savings. Moore takes us into the homes of ordinary people whose lives have been turned upside down; and he goes looking for explanations in Washington, DC and elsewhere. What he finds are the all-too-familiar symptoms of a love affair gone astray: lies, abuse, betrayal... and 14,000 jobs being lost every day
