**Lisa Taraki** is a sociologist at Birzeit University in Palestine. In addition to her academic work on aspects of Palestinian society, politics and urban social history, she has been an activist in the struggle for the right to education in Palestine since the late 1970s. She is one of the founders of the Palestinian Campaign for the Academic and Cultural Boycott of Israel (PACBI), established in Ramallah in 2004.

**Ben White** is a freelance journalist and writer specializing in Palestine/Israel. He also writes on the broader Middle East, Islam and Christianity, and the 'war on terror'. ## **Why boycott Israel:**

- More than 4 million Palestinian refugees are still being kept from returning to their homes in Israel after being ethnically cleansed more than 60 years ago
- More than 40 years of brutal military occupation of the West Bank, Gaza and East Jerusalem
- Apartheid policies inside Israel leaving Palestinians as second class citizens
- The ongoing siege of Gaza
- Regular military aggression against Gaza and Lebanon

This event is wheelchair accessible. Email [bdsinla@gmail.com](mailto:bdsinla@gmail.com) for special accommodations at least 72 hours in advance.
