

The Women of Fukushima

Presented by the Whittier Area Peace and Justice Coalition

Since the three reactors went into meltdown at the Fukushima Daiichi Nuclear Power Plant in 2011, a broad, disparate anti-nuclear movement has developed throughout Japan. **The Women of Fukushima** are a group of local women who boldly protest the deafening silence of the Japanese government.

Join us for a **FREE** screening of **“The Women of Fukushima”**

*Special Guest **Beverly Findlay-Kaneko** will speak on the issue and take Q & A*
