Kris Erickson will discuss her efforts to stand up for respect for students and inclusive learning environments, skilled educators, and open governance at Orange USD from the perspective of a School Board Member.

Lee Tousignant will talk about the issues at OUSD from the perspective of a parent.

In addition to issues around the firing of the Superintendent, the Digital Library, and Brown Act complaints, there is the newest Board Member who is promoting a “Biblical Citizenship & OUSD Update.” This is in our County – and important for our members.

Irvine Ranch Water District makes its facilities available for use by residents and nonprofit organizations merely as a public service, but does not, by allowing this use, endorse or support the purpose of the event or its sponsor.
