Please join us to hear Stephanie Camacho-Van Dyke (she/ella). She joined the LGBTQ Center OC in 2011. As the former Youth Program Manager, she helped to develop the Youth and Young Adult Program from a weekly drop-in social group to a comprehensive program that supports the diverse needs of Orange County LGBTQIA+ youth and young adults. In her position as Senior Director of Advocacy and Education, Stephanie contributes to the fields of advocacy and education through her ongoing collaborations with Gender and Sexualities Alliance student leaders, educators, and administrators across Orange County, as well as community partners across the

state. She is passionate about her advocacy work with public schools around inclusive education, policies, and curriculum development and implementation to reflect the intersections of sexuality, gender identity and expression, and identity.
